

# EMF 150 Wall Slotter, 20 AMP with Dust Extraction System

## Two Parallel Blades Cut Channels in Walls and Floors

The EMF 150 Wall Slotter easily cuts two parallel grooves up to 1-13/16" wide by 1-3/4" deep. The high-performance 20 AMP motor is the most powerful in its class. It operates with two parallel diamond blades and spacers to cut channels in concrete or masonry.

This wall slotter is ideal for laying cable, conduit or pipe on renovation jobs.

### Standard Equipment:

- (2) Premium Diamond Blades
- Carrying Case
- Spanner Wrench

### Features:

- Ideal for electricians, plumbers and other contractors
- Compact with parallel grips for easy handling
- Works 5/8" from the edge or corner
- Closed vacuum hood for efficient dust collection, optimal air flow and easy removal of fragments; vacuum hose lock
- Motor overload protection with optical overload indicator

*Note: Specifications subject to change. Refer to Owner's Manual for operating instructions.*
