

# AirPac Extends life of pneumatic power tools

### How it Works:

- Air compressors compress air into small areas – this causes heat, which contains moisture
- As heated air travels through air lines, it cools, creating water droplets
- When this air/water mixture enters the AirPac, it travels through a baffle that traps the water and dirt and drops it into a holding area
- When enough water is accumulated, a float allows the water and dirt to be automatically ejected
- Dry air then enters the lubricator and is mixed with oil and sent to the tool

- Removes 98% of water and contaminants from both portable and stationary compressed air systems to protect pneumatic tools
- Totally automatic – a float valve automatically ejects the accumulated water and dirt
- Maintenance-free – no filters or parts to replace or service
- Includes automatic 1/2 pint oiler; prevents tools from freezing in cold environments
- Two tool outlets; Chicago couplings on all connections
- Weighs 40 lbs., max. air 185 CFM
- Use Air Tool Lubricant for best results – see below for more information

## Air Tool Lubricant – Non-toxic

CS Unitec offers three types:

**ProLube-ATL:** A super-premium synthetic air tool lubricant. Provides maximum lubrication, cleaning and protection for portable air tools.

**ProLube-ATL/AF (anti-freeze):** ProLube-ATL/AF blend that prevents freezing and is ideal for operating air tools in cold climate conditions.

**Air Tool Line Conditioner:** For use in underwater air tools. Displaces moisture. Developed to inhibit rust and corrosion of air motors.

### ProLube-ATL

<b>1 gallon bottle</b>	<b>Case (4 bottles)</b>

# Lubricants

## ProLube™ Ideal for cutting steel, stainless steel and hard metals

Your cutting tools will work cooler, longer and more efficiently with ProLube™ Lubricants from CS Unitec.

- Improve cutting tool output and performance
- Prolong tool life by reducing friction and wear
- Unique composition provides excellent adhesion to cutting tools for maximum lubrication
- Corrosion inhibitor
- Ideal for saw blades and drill bits
- Non-toxic

High film strength – stays on for the cut!

**ProLube Solid**  
**CS 7020-013**  
 1.6 oz. push tube  
**CS 7020-000**  
 14.5 oz. push tube

**ProLube Liquid**  
 Water soluble 16:1  
**CS 7010-504**  
 1 gal. bottle

**ProLube Paste**  
**CS 7030-712**  
 12 oz. tub

## Also Available...

# SAFETY & POWER TOOLS

CS Unitec has the right tools for working in ATEX and EX zones, as well as in Subsea applications

**Air Nut Runners**

- For turning valves, tightening, tapping, reaming, pipe beveling, expanding and more
- Hydraulic models available

**Portable Magnetic Drills – Air and Hydraulic**

- Drill up to 2 1/16" (52mm) dia. holes
- Coolant system reduces risk of sparking
- Lightweight and portable
- Electric models to cut holes up to 5" dia. and 4" deep

HB-4400 Hydraulic Drill – ideal for subsea, marine and construction applications

AIRBOR™ Drill available with Optional Rack to increase stroke length to 10 3/4"

Air Operated

**Non-Sparking & Non-Magnetic Safety Tools**

**AlBr or CuBe Alloy**

- For Ex zones where hazardous, flammable or combustible materials may be present
- Hammers, wrenches, sockets and more

## Warranty

Products of CS Unitec, Inc. are warranted to be free from defects in material and workmanship for one year from date of purchase. This warranty does not apply to normal wear or products which have been abused, misused, modified or repaired by someone other than CS Unitec, Inc. or its Authorized Service Representatives.

If a product proves defective in material or workmanship within one year after purchase, return it to CS Unitec, Inc. or an Authorized Service Center, transportation prepaid. CS Unitec, Inc. will, at its option, repair or replace defective products free of charge.

CS Unitec, Inc.'s sole liability and your exclusive remedy under this warranty is limited to repair or replacement of the defective product. There are no other warranties expressed or implied and CS Unitec, Inc. shall not be liable for incidental, consequential or special damages, or expenses excepting only the cost or expense of repair or replacement as described above.
