Needle Scalers

Remove coatings, corrosion and other accumulated materials - Ideal for cleaning and stress-relieving weld seams and joints.

2B

2BPG

- Up to 3000 Blows Per Minute
- Dust shroud available for use with dust extraction vacuums

Optional Dust Collection Shroud

CS Unitec's Trelawny™ Vibro-Lo™ line of Needle/Chisel Scalers operate with 7x less vibration than standard models. These tools utilize vibration damping components to offset the hammer vibration created when the needles/chisels impact the workpiece.

2B Combination Kit

Kit includes 2B Needle Scaler, 19 (3mm) needles, 3/4" square shank chisel and allen wrench.
