

TFS230

9 INCH FLOOR STRIPPER

VOLTAGE OPTIONS

110v & 230V
106 lbs.
50/60hz

Productivity:
Avg. 66 Square
Feet
per hour

Pin for adjustable
handle

Extendable and
removable handle

Start, stop and
reset

High power motor

Heavy duty
vinyl wrap

Easy blade installation

Oscillating blade

The most robust floor stripper in its class

The TFS230 is the latest addition to the surface stripping range, developed to suit various applications and withstand rough site use.

Its features ensure high performance stripping, easy operation, and transportation. The operator's comfort and safety is at the heart of the design.

FEATURES

- Twist & lock height adjust mechanism for optimal working position
- Oscillating blade movement
- Rear Kick Plate for extra "Shove"
- Compact for easy transport
- Removable Handle
- Front wheels for maneuverability
- Multiple blade options available

APPLICATIONS

- Removal of linoleum & vinyl floor coverings
- Lifting of carpet tiles
- Scraping of backing adhesives & residues
- Ceramic tile lifting and residual adhesive removal
- Thick & soft material removal
- Hardwood / laminated floor lifting
